COMPANY PROFILE

MEDLIN started its operations in 2000, offering Standardized, Safe, Convenient & Cost effective Packages to Govt. / Corporate Hospitals and Nursing Homes to maintain hygiene and avoid panic in critical care. The company is owned by two mechanical engineers, well experienced & renowned in the market, Mr. PPS Mann & Mr. Kamal Attri who join hands and successfully completed **140+ Projects** in last 14 years with a spirit and policy-

No compromise with Specified norms/ Product Quality and committed service, which lead them to their Team motto - Customer Satisfaction.

- The company is approved to provide Consultancy for Medical Gas Pipeline systems, in Government Hospitals under Public Health division no-1, Chandigarh.
- We adopt all the recommended Procedures/Tests for Installations and use only the high quality materials & machines.
- We have trained our Installation Teams for step wise working to produce a trouble free & aesthetic installation.
- Our scheduled preventive maintenance avoids breakdowns of the life supporting systems at our projects.

OUR PRODUCTS

- ***Medical Gas Pipeline Systems***
- ***Pre –fabricated Modular OT Rooms***
- ***High-End Hospital Furniture***
- ***Ceiling mounted cubical curtain partitions***

WE PROVIDE

- Turn key projects
- Consultancy
- Annual Maintenance, Operation & Running Contracts
- Supplies

OUR CORE STRENGTH

Our experienced & committed **WORKERS**, who are well known to their responsibility to serve the health care takers at the earliest possible for optimum use of the technology available.

Our esteemed *CUSTOMERS*, who genuinely recognize and pass a good word about us, which enhances our installation base and subsequently our turnover.
